

Campus USA Credit Union reaches \$150,000 in donations to Children's Miracle Network with the Visa Card

Many of the Children at Shands Children's Hospital at the University of Florida need a miracle – the CAMPUS Children's Miracle Network Visa card plays a role in making miracles happen. So far, CAMPUS has raised over \$150,000 for Children's Miracle Network. This year, with your help, CAMPUS plans to donate another \$50,000 to Shands Children's Hospital.

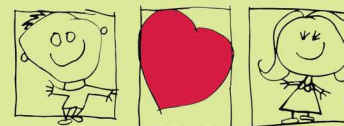

When you need a credit card—whether it's to make travel arrangements or for life's unexpected expenses—use the credit card that can save you money and make a difference in a child's life.

Even if you don't carry a credit card balance, the Children's Miracle Network Visa is the card for you. Each time you make a purchase, CAMPUS donates a percentage of your purchase to Shands. One hundred percent of these donations go toward patient care for children.

The money raised by Campus USA Credit Union helps to purchase much needed high-tech medical equipment, fund diversionary items, such as computer games and toys, and fund pediatric research that will hopefully find cures for the diseases that currently afflict our children.

Movie Drive for Shands Children's Hospital was a TREMENDOUS SUCCESS!

Wow!

The Gainesville Community showed that they truly have a heart for the kids at Shands by donating 382 children's movies at their local Blockbuster store! The movie drive took place between February 2 and February 15, 2004. The movies have been distributed throughout Shands Children's Hospital at the University of Florida. The movies will be used at the monthly movie night for pediatric patients. They will also be available for patients to view in their hospital room as a diversionary activity. All Blockbuster customers who donated a children's movie received a free rental from Blockbuster.
