

Girl Scout Troop 403 Lends a Helping Hand to UF Physicians Pediatrics at Haile Plantation Clinic

Gainesville Girl Scout Troop 403 recently completed a special project benefiting the patients treated at UF Physicians Pediatrics at Haile Plantation Clinic. In dire need of furniture to accommodate pediatric patients waiting to be seen by their physician, the clinic received a donation of used furniture. The furniture was in need of re-painting. The Girl Scout Troop was eager and delighted to take on the challenge of refurbishing the tables and chairs as a community project. The end result of their hard work paid off and a cheerful, brightly colored table and chair set decorated with butterflies, flowers, and ladybugs was delivered to the clinic. The patients and families are enjoying the “new” edition to the waiting area thanks to the work of Gainesville’s Girl Scout Troop 403.
