

# Working Magic For Kids Radiothon

## Listeners Pledge \$37,053

Photos by EverythingTallahassee.com

**C**lear Channel Communications and WTLY Magic 107.1 held their annual Working Magic For Kids radiothon on April 20-22. Hosted by Magic's morning team, Troy and Dawne, the broadcast was live from Tallahassee's Wal-Mart on Thomasville Road and resulted in \$37,053 in pledges over three days.

Children's Miracle Network families from the Tallahassee area shared their inspiring stories of treatment and recovery at Shands Children's Hospital at UF. Last year alone, more than 700 admissions to Shands Children's Hospital at UF were patients who came from the Tallahassee/South Georgia area.

### Above, Left to Right, Top Row:

- Trenton Weeks and his mom Kayla. Trenton was treated for ALL/TC cell lymphoma.
- The Weeks family with Dawne & Troy.
- Connor Giles with his mom Stacy. Connor was treated for Burkitt's lymphoma.

### Bottom:

- Amber Finch - treated since 2001 for a brain tumor - is pictured with mom Angela and WTLY's Dawne Davis.
- Kayla Mills, daughter of Pam and Ed Mills, was treated at Shands for severe meconium aspiration at birth.
- The Gwartney family with Dawne and Troy. Chandler received a bone marrow transplant at Shands for Leukemia.
- Taylor Rooks, 4 years old, is being treated for a congenital heart defect.
