

Sporting Clays Fun Shoot raises \$5,200

Sportsmen and women traveled from miles away on Saturday, Jan. 20, as Quail Creek Plantation hosted the inaugural South Florida Sporting Clays Fun Shoot. Forty-eight participants raised \$5,200 to benefit Shands Kids. The top four shooters were recognized with prizes donated by Outback Steakhouse and Marriott Hotels. Shands Children's Hospitals Ambassador Kristin Higgins assisted in the recognition and awards ceremony. Kristen is being treated by the team at Shands Children's Hospitals for seizures. Kristen's mom, Tami, says that thanks to Shands, Kristin has been seizure-free for two years.

Event sponsors included BellSouth, Walpole Inc., Williamson Cattle Co. and Waste Management. Thank you Quail Creek for hosting this event and to Golden Corral for providing lunch.

Ambassador Kristin Higgins awards the event winner, Howard Harris, with a medal.

Providing comfort with sleep chairs

Children's Miracle Network recently granted \$8,000 to the Pediatric Intensive Care Unit at Shands Children's Hospital at AGH for new sleep chairs.

An integral tool in family centered care, a sleep chair allows a parent to spend the night with their child – especially meaningful to families who travel long distance for their child's care.

A sleep chair in the PICU at Shands Children's Hospital at UF.
